

## Untitled

The Queen of Peace Missions Committee has some amazing news to share! Over the past two years we have been working on a Clean Water Campaign with Free the Children. We would like to proudly announce that we reached our goal of \$5,000! That is not all. The good news just keeps on coming. The money raised will be sent to a new, all-girls, secondary school in the Maasai region of Kenya to be put towards their clean water system. This school is one that has been supported by well-known, Canadian singer, Nelly Furtado. Through her generosity, she has matched our donation dollar for dollar. This means that our donation became \$10,000. Can it get any better? Yes! We also applied for the Big Dreamers Award through Free the Children, sponsored by Disney's Club Penguin and the National Bank of Canada. They too have a matching fund and Queen of Peace School was chosen for this award as well!

In other words, our \$5,000 has grown to a \$15,000 donation! This is a very proud moment for our school. Thank you Queen of Peace Royals for making a difference in our world!
