**It is with great pleasure that the Villanova
Art Department announces our first
Gibson Gallery Art Show.**

**The show is a collaboration of St. Thomas of Villanova and General Amherst
Secondary Schools. It showcases a broad perspective of student work. Come out to
celebrate our student talents!**

The Gibson Gallery is located in the heart of downtown historic Amherstburg. Close to all amenities and other attractions, we are located a half a block east of Sandwich Street on Richmond Street.

Look for our "OPEN" flag by the road and pop in to see us!

The Gibson Gallery is located in South Western Ontario's historic town of Amherstburg along the beautiful Detroit River.

This former Michigan Central Railroad Station, built in 1896, is a "state of the art" Art Gallery featuring towering ceilings, hardwood floors and showroom track lighting.

A full season of exhibits by local artists and traveling exhibits from Ontario museums and galleries, arts and crafts lessons for children and adults, our unique Arts & Craft Gift Shop and three needle art guilds make this 112 year old building a vital center for the visual arts. Our designated historic building is renovated to its original Romanesque glory and the attached Caboose museum highlights local railroad history.
