St. Gabriel Catholic Elementary School Forms Giant Student Tree for Majesta Competition

St Gabriel Catholic Elementary School is having another great event to promote the exciting Majesta Trees of Knowledge Competition. As you know our school is one of ten finalists in the competition to win a \$20,000 outdoor classroom as part of the “Majesta Trees of Knowledge Competition”.

Our school is currently in sixth place in all of Canada and needs votes from the public to come out on top. Please visit www.majestatreesofknowledge.ca for a look at our entry and share it with family and friends.

On Friday, April 5th at 1:00 p.m. we hope you can join us for a unique event at our school. The Entire population of the school will take to the school yard to form a giant evergreen! We are doing this in an effort to raise awareness about the Majesta Trees of Knowledge contest and to help our students win the \$20,000 outdoor classroom they deserve.

Many of those involved in the project will be available to talk about why it's important to our school and how your audience can vote. Students, teachers and parents will also be available to discuss the contest. Please don't miss out on this amazing event and photo opportunity.
