## **BUILD A DREAM event**

**With a chance to win a \$500 Scholarship!!!**

Dear Young Women and Parents/Guardians,

On behalf of Women's Enterprise Skills Training of Windsor Inc, Workforce Windsor Essex, Greater Essex County District School Board, Windsor Essex Catholic District School Board, Conseil Scolaire Catholique Providence and St. Clair College we invite you to participate in our "Build a Dream" Parent/ Daughter event.

We will be highlighting opportunities in a number of careers to better assist youth in making career choices. As a community we recognize the critical role parents play in the development and education of their child, which is why we are providing this opportunity for families to come out and learn more about careers in the growing sectors.

This inaugural event will be held on **Wednesday, May 14, 2014- 5:30 pm till 8:00 pm at St. Clair College** (2000 Talbot Road West, Windsor) in the Hanger. At 6:00 pm and repeated again at 7:00 pm, there will be a presentation about the jobs in demand, followed by a panel discussion with young women who would like share their experiences in the workforce. Light food and beverages will be provided.

As well, local companies will be at the event to share information and educate young women and their parents about the opportunities available in our Windsor-Essex Community. They will be there to answer any questions you may have about jobs within their field such as:

- What are they looking for in an employee?
- What are some of the responsibilities that may come with the job in their company?
- What are the benefits of working in their field?

Space is limited. Don't delay to take advantage of this opportunity

**Please register by May 9<sup>th</sup>, 2014 at EVENTBRITE: <http://buildingadream.eventbrite.ca>**

If you have any additional questions about this event you may contact:
