

Early Years Program Survey

The Ministry of Education is making changes to child and family programs in Ontario. In Windsor-Essex, our Ontario Early Years Centres (OEYCs) and Parenting and Family Literacy Centres (PFLCs) will align as **Ontario Early Years Child and Family Centres** in 2018.

To make sure Centres provide the best possible services for families in Windsor-Essex, **we need to hear from you!**

If you **live in Windsor-Essex** and are **having a baby or caring for a child 0-6 years of age** we need **YOU** to complete this survey!

This survey will take about 10 minutes to complete. It will ask about the kinds of services that families and caregivers need.

As thanks, you can enter for a chance to win a \$100 grocery card or passes to Adventure Bay Family Water Park.
