The Windsor-Essex Catholic District School Board has purchased, under SEA funding, a Chromebook for the above named student. I consent to the following terms and conditions as they relate to the home and school use of this SEA equipment.

Please initial each statement to indicate that you have read and understood each condition.

- The Learning Disabilities Association of Windsor is responsible for the training of students with SEA funded equipment. I consent to their acquisition of knowledge of my son/daughters learning style through discussions with school personnel. This may include access to the IEP.
- The equipment is the property of the Windsor-Essex Catholic District School Board.
- Technical support is provided by the Windsor-Essex Catholic District School Board. The hardware must be brought to the school for service.
- The equipment must be returned to the Windsor-Essex Catholic District School Board
 - a) upon request;
 - b) at the time of the secondary post-secondary graduation of the student;
 - c) if the student ceases to attend school with the Windsor-Essex Catholic District School Board.
- If the hardware is lost, stolen or damaged, neither the Windsor-Essex Catholic District School Board nor the Ministry of Education are responsible for its replacement.
- This hardware is to be used to access the curriculum therefore it **MUST** be present in school with the student daily.
- No non-educational extensions/applications will be installed on the SEA funded Chromebook.
- If the Chromebook is not being used appropriately to access curriculum, my son/daughter will lose the use of the Ministry funded Chromebook.
- The Chromebook may be used at home throughout the school year, but must be returned to the school prior to the commencement of summer vacation (Note: Summer use agreement needs to be completed for use of chromebook during summer break).
