**CANADA'S ANTI-SPAM LEGISLATION (CASL)  
CONSENT FORM**

Canada's Anti-Spam Legislation (CASL) prohibits the sending of commercial electronic messages, including emails and other forms of digital messaging if the electronic message encourages participation in a commercial activity unless the sender has received the recipient's consent prior to sending the message.

The Windsor-Essex Catholic District School Board requires your consent to send any electronic messages which promote, advertise or offer for sale anything including school pictures, field trips, yearbooks, books, uniforms, food programs, event tickets or entry fees, fundraising events or items, or similar events or offers to sell goods and services.

We respect your right to privacy, but also strive to do our best to keep the families of our students informed about school events and activities. While most of our schools currently do not use e-mail as a primary method of communication with parents and guardians, there are those that do rely on it, and we certainly wouldn't want those people to miss out on important information.

If you consent to receiving commercial electronic messages from us, please sign and date this form. You may withdraw your consent at any time by notifying the Principal of the school where you or your child attends or unsubscribing to any future commercial electronic messages you receive from us.

If you do not sign the form you will still continue to receive electronic messages from us that are informational only and do not contain commercial messages.

Please provide us with your following information:
